

What follows is a list of all 800 tracks included on your Jobber-Luxe, indexed by Artist Name.

The tracks are not numbered here because they adhere to no fixed order on your Jobber-Luxe – they can be ordered according your needs. Your Jobber-Luxe allows you to search for, select, sort and play all or a subset of the 800 tracks by artist, performer, song title, catalog no., matrix no., or recording date. You may also choose Paramount Radio for “random-play” or select from one of our pre-programmed playlist options.
